

Associate Safety Pledge

COMPASS GROUP ASSOCIATE SAFETY PLEDGE (DINING)

- ✓ We affirm that we understand the following safety policies and expectations, and will take an active role in contributing to the safety of our workplace and preventing workplace injuries.
- ✓ We have attended Associate Safety Orientation Training.
- ✓ We have received Hazardous Communication Training.
- ✓ We will wear light-duty cut-resistant gloves when handling, using or cleaning knives.
- ✓ We will wear heavy-duty cut-resistant gloves only while cleaning the slicer, not while using it.
- ✓ We will wear approved, clearly marked, slip-resistant shoes while at work (unless otherwise instructed by our supervisor).
- ✓ We will wear safety goggles, face-shield or other approved eye protection when mixing or handling chemicals.
- ✓ We will follow proper lifting techniques and will ask a co-worker for assistance if an item is too heavy to lift by ourselves.
- ✓ If we know of (or are made aware of) a safety and/or health hazard or unsafe work practice, we will immediately report it to our supervisor.
- ✓ We will immediately report all injuries (even minor injuries such as cuts) to our supervisor when they happen.
- ✓ We will not engage in any work practice that puts our co-workers, our customers or ourselves at risk of injury.
- ✓ We will use the open communication process to inform our supervisor if we are unable to perform any of these initiatives due to lack of training or available safety equipment.
- ✓ If operating a vehicle on Compass Group business we will wear a seatbelt and obey applicable traffic laws.

We are committed to ensuring our work place is safe every day!

Think Safety – ALWAYS!
