

Fire Safety

Policies at each location may differ.

If you discover a fire, remember the R.A.C.E. acronym to help you react safely and correctly:

R = RESCUE anyone in immediate danger from the fire, if it does not endanger your life.

A = ALARM sound the alarm by activating a pull station alarm box.

C = CONFINE the fire by closing all doors and windows.

E = EXTINGUISH the fire with a fire extinguisher, or **EVACUATE** the area if the fire is too large for a fire extinguisher.

To use fire extinguishers correctly, remember the P.A.S.S. acronym:

P = PULL the pin on the fire extinguisher.

A = AIM the extinguisher nozzle at the base of the fire.

S = SQUEEZE or press the handle.

S = SWEEP from side to side until the fire appears to be out.
